National e-Learning Offer

## Health & Wellbeing Chill Space

**An interactive learning space containing resources for inspiration, relaxation & wellbeing**

The National e-Learning Offer complements the delivery of teaching and learning by schools and settings, local authorities and Regional Improvement Collaboratives in Scotland.

It is made up of three elements - live, recorded and supported resources.

Live resources include interactive, online classes. Recorded resources are available to watch at any time. Supported resources include assessments, practical experiments, revision resources and more.

More information and access to resources can be found via the e-Sgoil, West OS and the NeLO websites
