

Term 4 Study Support Webinars 2025-2026

The live webinars for the subjects below will be running on the dates noted up to the exam for each subject.

Please note: if you are not already registered for the Evening Study Support webinars you will need to complete the registration form here:

<https://www.e-sgoil.com/senior-phase/study-support/>

You will still be able to register for any of the other subjects on the registration form not noted below. Those webinars have now finished for this session however you will be able to access any resources posted in the webinar teams which can be used to support your preparation for the exams.
